

MENTONE GOLF CLUB

IRISH STABLEFORD INSTRUCTIONS

Played as a team of 4 with individual stableford score cards and a team score card.

All players play out each hole as a normal individual stableford.

The person with the lowest handicap is **TEAM CAPTAIN** and scores the team score card.

The best 2 stableford scores for each hole are recorded on the team score card.

The highest team score card is the winner.

If there is a group with only 3 players, a "phantom" will become the fourth team member.

The phantom always gets 2 stableford points on any hole.
