

MENTONE GOLF CLUB

4BBB STABLEFORD INSTRUCTIONS

Played in pairs as a two-player team.

Each player plays their own ball and scores their individual Stableford using their Daily Handicap on MiScore.

The team scorecard has both players names with their Daily Handicap.

The score of the player with the highest Stableford score is entered on the team scorecard with the initials of the player.

If both players score the same, the score of the player who first completed the hole is recorded.

Each player needs to complete each hole.

The winning team is the highest Stableford scores totalled over 18 holes.
