

MENTONE GOLF CLUB

AMBROSE INSTRUCTIONS

Played as a TEAM event.

Played and scored as a STROKE event.

The LOWEST HANDICAP is the Team Captain who marks the card.

Played with one or more partners.

Each player tees off and the best shot is selected by the Captain and its position marked.

Each player in the team then drops the ball within one club length of the marked position.

The ball selected to play may be lifted, cleaned and placed once its position has been marked.

If the selected ball is in the rough / hazard, the other balls must be dropped in the rough / hazard.

The team may play in any order.

If on the green, the ball is marked and other player's balls to be placed within one handspan of the marker.
