

MENTONE GOLF CLUB

INSTRUCTIONS – 2 BALL MULTIPLIER STABLEFORD

Play Stableford as an individual in a team of two.

After completion of each hole:

1. Record individual Stableford scores in MiScore as usual.
2. Team card - swap cards with the other team.
 - Lowest handicap player completes the other team's score card.
 - At the end of each hole, the team's Stableford points are multiplied together, **not** added.
 - Each player's Stableford points are multiplied to give a resulting team score for each hole, for example:
 $2 \times 0 = 0$
 $2 \times 1 = 2$
 $3 \times 3 = 9$
 - The total net score is determined by adding the team scores for each hole. The winning team is the team with the highest score.
