

*Congratulations to Dawn Watt
on reaching a remarkable 57 years of membership at
Mentone Golf Club.*

Dawn joined MGC on the 1st of February 1968 and still plays a mean game of golf at the wonderful age of 95.

In many areas of club activity, Dawn has contributed with admirable commitment and leadership. She was Club Captain in 1983 and 1984, and has been an enthusiastic participant of many Howlong trips where her joke telling became legendary.

Dawn has brought a spirit of dedication and enthusiasm that inspired us all. Empathy and kindness is her hallmark which is reflected by the deep affection and respect from those who know her.

Her presence of 57 years to date has been a cornerstone of the club. The friendship, humour and guidance that Dawn has given so freely is enormously valued by the club and its members.

*Dawn, thank you for your loyalty and commitment which has, in no doubt, shaped MGC to what it is today. We wish you the very best for the future and look forward to your continued involvement with
Mentone Golf Club.*
